Child Protection Statement: Safeguarding Children in St Columb Major Academy
Our school community has a duty to safeguard and promote the welfare of children who are our pupils. This means that we have a Child Protection Policy and procedures in place, which we refer to in our school prospectus. All staff, including our volunteers and supply staff must ensure that they are aware of these procedures. They are also all DBS checked. Parents and carers are welcome to read these upon request.
Sometimes, we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will endeavour to ensure that our concerns about pupils are discussed with their parents/carers first, unless we have reason to believe that this is not in the child's best interests.

Reading Records

Children are expected to read daily at home. As usual, please support your child to complete their reading record.

As well as reading for pleasure in their heads or with you, it is also important for children to read aloud to an adult to practise their fluency and to talk about what they have read.
