Letter from the editor

Welcome to our second SCMA Fun Newspaper. This is a newspaper written by the students, for the students.

I have had the pleasure of supporting the development of this paper and am very proud of each member of the team. With this being the second installment, more students are wanting to share their ideas and interests with the St Columb Major Academy family.

This paper shows a snapshot into what the children of St Columb Major Academy are doing, both within their learning and extracurricular activities and what they are interested in sharing with their peers.

I would like to say a big thank you to all the participants that have been interviewed, Miss Povey for her continued outstanding, artistic support and the fabulous team of students who created the content: Lucie Linggard, Aria Draper, Izzy Oldridge, Ky Ross, Alfie Yates, Izzy Ryan, Delilah Simpson, Tean Chappell, Brayen Chappell, Samuel Milson, Jesse-Rae Rowley Cunningham, Lola Mackins, Willow Roberts, Tiago Prosperro, Reba Percy-Hughes, Esmee Cooke and Lily Smith.

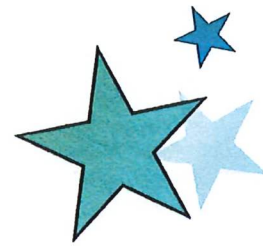

I hope you all enjoy it, and we look forward to creating and sharing more SCMA Fun with you next year.

Have a very Merry Christmas and a Happy New Year

Mrs. Oldridge
